Zhenjiang Nanshan Scenic Spot is a provincial scenic spot with beautiful landscape and rich historical interest, and also a national forest park, where continuous unbroken mountain range is deep and quiet, spring-fed streams lead to seclude sports, age-old trees soar into the

skies, Biyuyuan Hotel is just situated in the so-called “natural oxygen bar” of Zhenjiang, which is known as “city mountain forest”. The hotel is a garden, integrating natural landscape with garden art. Only 2.5 km away from the city proper, it is an ideal place for meetings of all kinds, also a holiday resort for tourists.

There are 225 rooms (or suites) of all kinds, with a total of 384 beds. All the rooms are well designed with wide vision, each equipped with optical fiber broadband network. When you are surfing the net, the entire beautiful scenery of Nanshan hill comes into your view.

There are about 20 meeting rooms with different specifications, including luxurious meeting room, large size multifunctional conference hall, multimedia lecture theatre, micro-

computer education system, and international conference center equipped with facilities for wireless simultaneous interpretation in 7 languages. With completely equipped facilities for modern conference, well-trained attendants and high-efficiency reception sequence, whatever large sealed conference, discussion, symposium, product show and various kinds of training activities you want to organize will be satisfied.

In the hotel there are over 30 dining rooms, large or small, each with its unique style, which can serve over 1000 people at a time. Based on huge cook force, Huaiyang-style food is mainly served, and others, such as Sichuan-, Guangdong-, Hangzhou- and Shanghai-style food, are also prepared to meet various tastes. So, they are the ideal choice for large banquet, high-grade dinner, self-service party and the like.

There are also over 20 items of recreation facilities, such as gymnasium, tennis court (double-net), Sauna and entertainment, beauty center, KTV box, chess and card room, ball games of different kinds and indoor swimming pool with constant temperature. Surrounded by green mountain and swayed trees in the breeze, you will add more temperament and interest by them.

Biyuyuan Hotel, a healthy garden, also an active garden.
